## Merlin Sailing Yacht

Radically modern design, Merlin accomodates 8+1 in four luxury cabins and her crew takes pride in serving with utmost attention. Merlin is a modern Turkish motor sailer with similar volume of a motor yacht of the same size. sleeps 9 in 4 cabins. The saloon gives a high aspect view with good 360 degree vision. She has quality deck fittings, and sails. The quality continues through the interior too. Merlin is a comfortable and stable platform to enjoy the pleasures of cruising. MERLIN can accommodate 9 guests in 4 cabins. Master Cabin; ensuite, full beam with 5 square stern windows. Located aft. VIP Guest Cabin; forward to port, ensuite. Double Guest cabin; to stbd, ensuite. Twin Guest Cabin; ensuite, plus 1 Pullman, on aft port side.
