

M/Y MT TIME

Launched in 2010 M/Y MT TIME is entering the Motoryacht charter for the first time to accommodate her privileged 8 VIP guests in the highest standard of luxury and comfort. Her Captain and crew take pride in serving relentless 5 stars quality service on board. Having stabilizers with zero speed capability, you can walk the walk and talk the talk in the utmost stability and comfort while cruising in rough seas or staying out on anchor. M/Y MT Time is a DeBirs RPH Model (27m) and comes with the dark wood interior known as the "Elegance Interior". This product has proven to be a worldwide success and was recognized as one of the top five best designed Super Yachts in the world. M/Y M&T Time is an extraordinary well designed and produced luxury motor yacht, voluminous in its interior, configured to separate the crew from the guests for total privacy, offers several innovative multi-functional areas and has exceptional sea keeping qualities. The Main Salon's open plan & spacious layout offers a full Bar/Owner's Galley, a dining table that also converts into a coffee & game table arrangement plus a spacious sitting area that allows the owner to entertain a large number of guests. Moreover, there is the popular Forward Salon that offers several different purposes to include a private meeting area, family/children's play area, a 52" HDTV screen and home theater and the owner's office. The lower level offers (4) guest cabins and each cabin comes with its own en-suite bathroom and independent A/C, A/V and communication systems. M.T. Time's exceptional interior layout, spacious living areas, multi-functionality and separation of crew & guests put her in a class of her own as these can only be found on much larger yachts.
